DVD Curriculum

April 2012 - April 2014

# VISION

We are so excited and thankful for your consideration of the CLG School of Supernatural Ministry incorporating the **Bethel School of Supernatural Ministry DVD curriculum.**

We are in world wide revival which is gaining intensity and focus. Our heart is to stay in tune with what the Holy Spirit is doing, and to help train people accordingly for the last days of the harvest. A primary emphasis in the school is for believers to return to Signs and Wonders as a lifestyle. Those who simply want good doctrine (with no action) will not fit in here.

To quote John Wimber- faith is spelt R-I-S-K. We work to create an environment where people can take risks in learning to operate in the supernatural without fear of rejection or failure. This gospel must go forth with power for massive worldwide revival! If revival is your passion, come and join us!

**The Bethel School of Supernatural Ministry DVD curriculum** is dedicated to worldwide transformation through spiritual revival. Our desire is to train and equip the Body of Christ to bring the love of God and power of the Holy Spirit to darkest places of this planet and establish Holy Spirit fortification, resulting in the kingdom of this world becoming the Kingdom of our God.

The curriculum has more than just the dimension of a school- it is a Holy Spirit journey into the realm of the impossible, and as Pastor Kris Vallotton - overseer of the School in Bethel - comments "...it is heavenly adventure where no one dare travel without God!"

This is an opportunity to learn how to minister with power, and walk in signs and wonders.

The sick, the demonized, the poor, the blind, the lame and the lost are waiting to see what you have learnt! Don't disappoint them !!!!

I was the product of a belief system in which I was raised but now I must believe and become who God says I am. I came to know more of my identity in Christ. As God has not given me the spirit of fear but of power and sound mind.
